## Blog white 2020

It was from one of the best vineyards, planted in the Estremoz region, that we selected the best grapes.

## Tasting Notes

Yellow citrus color, intense and persuasive aroma, structured, but elegant, fresh and mineral with a vigorous, vibrant, unctuous aftertaste and with an enormous persistence.

## Wine-making

The summer was hot, but Estremoz maintained the great thermal amplitudes that are so characteristic of it and that are essential for the plant to achieve slow maturation in order to obtain grapes with an exemplary balance between alcohol and acidity. That is why in 2020 we managed for the third time to edit our white Blog, produced from our best grapes. Aging in French oak barrels, half new and half of 2nd year.

## Technical information

**Wine.** Blog white

**Wine maker.** Tiago Cabaço

**Region.** Alentejo – Estremoz

**Year.** 2020

**Oenologist .** Tiago Cabaço and Susana Esteban

**Grapes.** Traditional grapes and others

**Age of vines .** 41 years old

**Harvest time .** August 2020

**Fermentation .**Stainless steel vats with temperature control

**Aging .** 8 months in french oak barrels, half new and half of 2nd year

**Emgarrafado .** November 2021

**Álcool .** 13 % vol.

**Acidez Total .** 5,5 g/L

**pH .** 3,36
