Tiago Cabaço Verdelho White 2021

For this edition of a white wine varietal with Tiago Cabaço's signature, we chose Verdelho, very well suited to the characteristics of the Alentejo and specifically to the terroir of Estremoz. We present an elegant and delicate white wine with good aging potential.

Tasting notes

Citrus colour, fresh and mineral, structured and complex, with pleasant floral notes. Long, persistent and intense finish.

Wine-making

The summer was hot, but in our vineyard in Estremoz, temperature variations were low, a typical characteristic of this region. This guarantees longer maturation periods and grapes develop with a great balance between alcohol, ph and acidity. This way we tried to potentiate what is for us the Verdelho grape.

Technical information

Wine . Tiago Cabaço Verdelho

Producer . Tiago Cabaço

Region . Alentejo - Estremoz

Year . 2021

Oenologist . Tiago Cabaço and Susana Esteban

Grapes . Verdelho

Age of vines . 16 years old

Harvest Period . August 2021

Fermentation . Stainless steel vat with temperature control

Ageing . Stainless steel and bottle

Bottled . April 2022

Alcohol . 13 % vol.

Total acidity . 5,4 g/L

pH . 3,34
