Tiago Cabaço Vinhas Velhas White 2022

It is from our oldest vines, planted in the Estremoz Region, that we selected the best grapes from traditional Alentejo varieties.

Tasting notes

Citrus yellow colour, intensive and persuasive aroma, structures in the mouth with great elegance, fresh and mineral with a vibrant finish.

Wine-making

Summer was warm. In Estremoz, the variations between night and day temperatures were high, as it is typical of this region. This helps the grapes mature slowly, allowing wines from Estremoz to have balanced acidities and great freshness. Grapes are hand-picked and brought into the winery. There is a careful selection on a sorting table before grapes are pressed. Careful attention to pH levels are kept throughout pressing. Wines are then fermented in stainless steel tanks and aged in French oak barrels.

Technical information

Wine . Tiago Cabaço Vinhas Velhas White

Producer . Tiago Cabaço

Region . Alentejo - Estremoz

Year . 2022

Oenologist . Tiago Cabaço and Susana Esteban

Grapes Varieties . Roupeiro, Arinto and Antão Vaz

Age of vines . 43 years old

Harvest Period . August 2022

Fermentation . Stainless steel tanks with temperature control

Ageing . French oak barrels

Bottled . February 2023

Alcohol . 13 % vol.

Total acidity . 5,1 g/L

pH . 3,40
