Tiago Cabaço Vinhas Velhas Red 2021

It is from our oldest vines, planted in the Estremoz Region, that we selected the best grapes from traditional Alentejo varieties.

Tasting Notes

Deep red colour. Complex and perfumed, this wine is structured and fresh, with fine tanins. The finish is well- marked and persistent.

Wine-making

The 2021 harvest ran smoothly, with prolonged maturations. The climate was generally moderate throughout the year. All grapes were carefully selected on a sorting table before entering the winery and into stainless steel lagares, where all grapes were foot crushed. This wine fermented 100% in these temperature controlled lagares and then aged in French Oak barrels before final blending and bottling.

Technical Information

Wine . Tiago Cabaço Vinhas Velhas Red

Producer . Tiago Cabaço

Region . Alentejo – Estremoz

Year . 2021

Oenologist . Tiago Cabaço and Susana Esteban

Grape Varieties . Aragonez, Alicante Bouschet e Trincadeira

Age of vines . 43 years old

Harvest period . October 2021

Fermentation . Stainless Steel *Lagares* with foot-treading and temperature control

Ageing . French Oak Barrels (half new, half second year)

Bottled . February 2023

Alcohol . 15 % vol.

Total Acidity . 5,7 g/L

pH . 3,40
